Title: 2005 Costume Comtest

Author: Tatania Karthina

This is Tatania Karthina
reporting from the 2005
Haloween Costume
Contest sponsored by
Fierro!

As the stands are filling
with contestants and
spectators, I took a
moment to ask Fi a few
questions:

Tatania: Is this your first
time to hold this event?

Fierro: yes
Tatania: Are there any
special activities planned?

Fierro: like?

Tatania: contests... bobbing
for apples ect

Fierro: well yeah *laughs
out loud*

Tatania: how many judges
will there be for the
costume contest?

Fierro: hmm I think
ummm 5-6

As the stands fill up
and excitement fills the
air, Tourt II enters
stage left for some
"entertainment"

After his rendition of the song "Feelings" he told a couple of jokes (bad jokes about blondes *as she twirls a honeyed tress about her finger*).

The Costume Contest Line up was as follows:

Ice Cold Breez as a streetwalker with a mask

Mongons as a PVP Mage

Sundina as a pumpkin
Peter Pan as Peter Pan

Demon Slayer as the headless horseman

Zakarum Heinek as Boner

Tatania Karthinia (yours truly) as a dancing pumpkin

Artemis as a good witch

William as a pumpkin digger

Ultimate X as a jester

Wonder Woman as Wonder Woman

The audience went wild with clapping and murmerings of "great costume" as wonder woman took center stage. If there were doubts of the winner of the contest as the judges huddled together, this reporter did not see evidence of it.

Finally, time came for the winners to be announced. *drum roll*

1st place went to Wonder Woman as Wonderwoman

2nd place went to peter Pan as Peter Pan

3rd place went to Sundina as a pumpkin.

I caught up with Wonder Woman after the contest to ask the big question. "Now that you've won the contest and a million gold, where are you going next?"

Wonder Woman: to my tavern to party!
